The grievance of the appellant father is that the Family Court has granted only 30 minutes audio-visual access to the appellant per month in respect of the two twin children who are now aged two and a half years each, which is wholly insufficient. Prima facie, we agree with this grievance of the appellant.

Issue notice to the respondent, as well as counsel for the respondent representing her before the Family Court, returnable on 11.01.2022. Notice be served by all permitted modes, including electronically and dasti.
